

Wisconsin State Championship Frog Jumping Contest

OFFICIAL RULES & REGULATIONS

- 1. ENTRY FEE IS \$1.00** per frog.
- An additional **\$1.00** donation will be charged for each **FROG RENTAL**. Frogs will be furnished to you near the entrance to the arena. All rental frogs will be returned to the designated area near the exit, so we may take them back to their natural habitat.
- Each contestant is allowed to enter two (2) frogs each day of the two day contest.
- Contestant's frog is allowed three (3) consecutive jumps. The length of the jumps will be measured in a straight line from the center of the starting point to the end of the third jump.
- A jump off will occur at the completion of the event on Sunday, if there are any ties in the top ten places. If both contestants are not present, the places will be decided by a coin flip.
- Each Contestant must jump their own entry, unless pre-approved by contest officials. (example: one adult may enter the arena to assist a child)
- Contestant is not allowed to touch their frog after it is released. There will be a 10 second time limit to get the frog to jump from the time that the contestant releases their frog.
- Disqualification and forfeiture of entry fee will take place in the event of unsportsmanlike conduct or evidence of frog tampering (drugging or abuse).
- The champion from the previous year has the right to step into the ring at any point during designated jump time and jump his/her frog, as long as he/she has registered. We also reserve the final jump on Sunday for the champion from the previous year, unless the contestant has met the maximum number of entries or is not present.
- A false start may be declared at the discretion of the judges. A judge has the discretion to substitute out a rental frog once in the case of rental frog inactivity. All decisions of the judges will be final.
- No refunds will be issued in the event of cancellation because of weather or other unforeseen circumstances.
